

The biggest trading platform of jewelry industry in the region...

Istanbul Jewelry Show unites the jewelry industry for 52nd time!

Istanbul Jewelry Show, the most important exhibition of jewelry industry in the region, opens doors at Istanbul Expo Center for the 52nd time between 06-09 October 2022.

Istanbul Jewelry Show offers a secure platform where industry leaders may experience and supply the latest products, services and technological solutions while setting trends, and new business deals may be concluded by and between exhibitors and buyers.

Recognized as one of the top five jewelry exhibitions in the world, Istanbul Jewelry Show convenes the outstanding companies and brands with industry experts on a safe platform while offering opportunities for new cooperation and a unique way to exchange information.

The exhibition will be featuring 800 jewelry companies and brands representing a wide range of product groups and sectors including gold, jewelry, diamonds, colored stones, precious and semi-precious stones, pearls, silver, silver accessories and silver household items, gold mounting, refinery, watches, molds, shop window decorations, machinery and equipment side industry, safes, software, and logistics and lighting product groups. At the exhibition which will be organized for the 52nd time and will be offering the opportunity to meet and make business deals with major buyers from all over the world ranging from Eastern Europe to Near East, the exhibitors will be showcasing their special products and collections to around 23.000 professionals of the sector from over 125 countries.

Catering the needs of industry since 1986, Istanbul Jewelry Show fairs are organized by Informa Markets, the world's biggest and leading fair organizer. Informa Markets has a long-standing background and expertise in industry with 17 jewelry fairs organized in 7 countries. Encouraged also with the power of its portfolio, Istanbul Jewelry Show stands as a fair closely followed by all industry experts.

International buying committee to be welcomed during the fair

"International Buying Committee Programme" will be realized to improve export, to discover new markets for export products and to help sellers keep their current market shares. The

representatives of industry leading companies and brands will be welcomed as buyers within the scope of programme.

[Jewelry design pulses again at Designer Market!](#)

Designers taking part in Designer Market, organized under the roof of Istanbul Jewelry Show, will exhibit their latest designs to visitors. With a growing volume and interest each year, Designer Market is an exclusive arena where global jewelry market actors unveil their designs, and designers reunite with manufacturers to exchange ideas and to create opinions about next year's jewelry designs.
